OUT OF SIGHT
Vertical Performance

- STRONGEST** Top end power for competition and the dedicated Sunday sport flyer.
- BRUTE TORQUE** More pulling & flying power than **any** 1.20, 4-stroke (4-cycle) engine.
- SIMPLICITY** Easy operation hi-tech carb, **EASY** idle.
- RELIABILITY** Each engine selectively custom hand fit and assembled.
- AWESOME** Powerhouses for all **warbirds** and heavy scale.
